Re: MB Docket No. 09-77; Application of Charter Communications, Inc., Debtor-in-Possession, for Authority Pursuant to Section 214 of the Communications Act of 1934, as Amended, and Sections 63.03, 63.04 and 63.24 of the Commission's Rules for Authorized International and Domestic Communications Common Carriers to Emerge from Bankruptcy Pursuant to a Plan of Reorganization (the "Application")

Dear Ms. Dortch:

On December 30, 2009, Charter Communications, Inc. ("Charter") notified the Commission that it had completed the reorganization transaction described in the Application. However, as indicated in Charter's notice, the ownership interests in Charter of each individual or entity that would have shares constituting ten percent (10%) or more of the equity or voting interests in Charter following Charter's emergence from bankruptcy had not yet been finalized at that time.

Accordingly, attached hereto is a summary of the persons or entities having shares constituting ten percent (10%) or more of the equity or voting interests in Charter following Charter's emergence from bankruptcy.

Should you have any questions regarding this filing, please do not hesitate to contact the undersigned at (770) 399-9500.

Respectfully submitted,

Charles A. Hudak
Counsel for Charter Communications, Inc.

Persons or Entities Owning Ten Percent (10%):

The following persons or entities hold a ten percent (10%) or greater voting or equity interest in Charter and in each Charter Fiberlink Company (through a series of intervening corporations, limited partnerships, and limited liability companies). The equity and voting interest percentages that follow are calculated as of December 30, 2009.¹

Name and Address ²	Voting Percentage	Citizenship	Principal Business
P.G. Allen 505 Fifth Avenue South Suite 900 Seattle, Washington 98104	37.2%	USA	Investments

¹ The equity and voting interests described in the text above do not give effect to any exercise, conversion or exchange of then outstanding options, preferred stock, warrants, convertible notes, or other convertible or exchangeable securities. *See, e.g., Stratos Global Corporation, Transferor; Robert M. Franklin, Transferee; Consolidated Application for Consent to Transfer of Control*, Memorandum Opinion and Order and Declaratory Ruling, 22 FCC Rcd 21328 (2007) (stating that “[t]he Commission has long held that future interests such as warrants, options and convertible debt do not constitute capital stock until exercised or converted and, thus, are not relevant to the ... ownership analysis.”). On January 15, 2010, two Charter affiliates, CCH II, LLC and CCH II Capital Corp., filed a Registration Statement on Form S-4 with the U.S. Securities and Exchange Commission (“SEC”) that, among other things, described the beneficial ownership of Charter’s Class A Common Stock held by the persons and entities described herein. The SEC’s rules generally provide that a person is the beneficial owner of securities if such person has or shares the power to vote or direct the voting thereof, or to dispose or direct the disposition thereof or has the right to acquire such powers within sixty (60) days and that common stock subject to options that are currently exercisable or exercisable within sixty (60) days of December 30, 2009 are deemed to be outstanding and beneficially owned by the person holding the options. Under the SEC’s beneficial ownership methodology, the equity and voting interests of the persons and entities described herein are as follows: (i) P.G. Allen – 7.21% equity interest and 39.91% voting interest; (ii) Apollo Global Management, LLC (*i.e.*, Funds affiliated with AP Charter Holdings, L.P.) – 31.44% equity interest and 19.68% voting interest; (iii) Franklin Resources, Inc. (*i.e.*, Funds affiliated with Franklin Advisers, Inc.) – 18.80% equity interest and 11.83% voting interest; and (iv) Oaktree Capital Group Holdings GP, LLC (*i.e.*, Oaktree Opportunities Investments, L.P.) – 17.83% equity interest and 11.15% voting interest.

² The Application stated that Crestview, L.L.C. (“Crestview”), through certain of its affiliates, was anticipated (as of the date that the Application was filed) to hold up to an 11.44% equity interest in Charter upon Charter’s emergence from bankruptcy. In fact, upon Charter’s emergence from bankruptcy, both Crestview’s equity and voting interests in Charter were below 10%. As a result, Crestview is not disclosed herein.
